

Home Care Package Co-ordination

Carers ACT operate Home Care Package co-ordination services for people living in the ACT and surrounding Capital Region. Carers ACT will be your one point of contact and, in negotiation with you, will book the service providers of your choice for you, saving you time and stress. Carers ACT provide monthly statements, so you know where you're up to with your package spending. Being an independent provider means we broker all our services, so that we are able to give you the flexibility to choose and change your own service providers and the peace of mind knowing that you won't be locked in with a particular provider. For more information call (02) 6296 9922 or email hcp@carersact.org.au
